# Production Requirements

**Advertising design:** There is no charge for advertising design for use in our newspaper. Ads requiring excessive production work or substantial last-minute changes will be subject to a production charge.

**Camera ready ads:** We recommend documents in PDF format with fonts embedded or raw file(s) including document file, images and fonts, or TIFF's and JPEG's. True type fonts are NOT compatible with our press. Please make sure all fonts are postscript.

To ensure image clarity, the maximum ink density allowed is 240.

If submitting an ad in a native file format, we will only accept from the following software and please include the native file, all images and fonts used:

- QuarkXPress 4.11 or higher
- Adobe InDesign CS or higher
- Adobe Illustrator CS or higher
- Adobe Photoshop CS or higher

**NOTE:** We do not accept files created in MS Word, MS Excel, Adobe PageMaker, MS Publisher, or file formats in EPS or BMP.

Send file(s) to: [ads@ourweekly.com](mailto:ads@ourweekly.com) and CC your account executive.

The subject heading of your email should include your account name, date running and size. For example: BOA - 8/6 - 1/2 Page

The file name should be your account name. For example: BOA.pdf, Lowes.tiff, etc.

Another ad delivery option is our FTP site:

**FTP Address:** <ftp.ourweekly.com>

**User Name:** advertisers

**Password:** ourweekly

Please notify your account executive if uploading ad copy via ftp.

**Recommendations:** To insure a quality print, files must be a minimum of 300dpi at 100%. They may go as high as 600dpi at 100%. Our newspaper are printed at 150 lpi. Please take into consideration that once on the press all images produce 20% darker.

Color files must be CMYK and black and white files in grayscale. No RGB, LAB, INDEX, etc. in any files.

Files received in the wrong color mode will be converted to the correct color mode. When such conversion occurs, some quality will be lost. It is in your best interest to submit correct files to ensure the highest of quality.
